

## Toys'R'Us recalls 'Squish-dee-lish Series 5' and 'Mickey Mouse & Minnie Mouse Tumbler'

Toys'R'Us has announced a voluntary recall for Squish-dee-lish Series 5 and Mickey Mouse & Minnie Mouse Tumbler. Squish-dee-lish Series 5 contained elevated levels of phthalates while Mickey Mouse & Minnie Mouse Tumbler contained elevated levels of phthalates and barium which may pose a potential chemical hazard to the consumers.

Mickey Mouse & Minnie Mouse Tumbler

Squish-dee-lish Series 5

Affected units of Mickey Mouse & Minnie Mouse Tumbler were sold between November 2017 and December 2020, while affected units of Squish-dee-lish Series 5 were sold between November 2018 and December 2020.

Consumers who own the products are advised to stop using them and return them to any Toys'R'Us store for a refund.
