## LG Electronics Inc's free replacement program for TV Power Board

LG Electronics Inc ("LGE") has announced a free power board replacement service on 18 models of OLED televisions which were produced by LGE from February 2016 to September 2019. This is to prevent any possible overheating issues which may arise.

| Year | Model  |
|------|--|
| 2016 | OLED65E6, OLED65G6, OLED77G6   |
| 2017 | OLED65B7, OLED65C7, OLED65E7, OLED65G7, OLED65W7, OLED77G7, OLED77W7 |
| 2018 | OLED65G8, OLED65W8, OLED77C8, OLED77W8                               |
| 2019 | OLED65W9, OLED77B9, OLED77C9, OLED77W9                               |

Consumers who own LGE's OLED televisions are advised to check if your product is affected [here](#) and contact LGE for the free power board replacement service.
