Subject to the undertakings given below, we hereby apply to the Consumer Product Safety Office (CPSO) for the registration of the above Controlled Good following the withdrawal of its current registration by the former RS.

We understand that if our application is approved, our company will be the new RS for the Controlled Good and will have to fulfil all responsibilities and obligations of an RS as may be required under the Consumer Protection (Safety Requirements) Regulations. We understand that we are required to and agree to assume the responsibilities and obligations relating to the supply of the Controlled Good by the previous supplier.

We undertake to: -

1. Ensure that we are aware and ready to fulfil all responsibilities and obligations required of an RS under the Consumer Protection (Safety Requirements) Regulations. This includes fulfilling all obligations of the previous supplier, including but not limited to recalling products which were supplied by the previous supplier, if so required by the Safety Authority.
2. To take over and continue to update the technical files for the Controlled Good in accordance with the Consumer Protection (Safety Requirements) Regulations.
3. Ensure that the Controlled Good continues to comply with all safety requirements and is safe for use for intended purposes.
4. Hold harmless and indemnify the CPSO in respect of any third-party claim, or any loss or damage, suffered as a result of or incidental to the withdrawal or registration of the Controlled Good.
