

SAFETY ALERT: MINE 4 Position Baby Carrier

Sample taken from

Seller "Qoostore" on Qoo10

Comments

During the testing of this sample, it was found that the product did not comply with the safety and informational requirements for baby carriers:

- ASTM F2236-16a – Standard Consumer Safety Specification for Soft Infant and Toddler Carriers.

Warning label detached from the baby carrier during testing.

Fastener broke during the test, posing a fall hazard.

Instructions and warnings provided were not in accordance to the requirements (e.g. content, format, language).

No report of incident or injury related to the use of this product has been received to date.

What should consumers do?

Consumers who have bought the product are advised to stop using it immediately.
