

SAFETY ALERT: KEAIHAO Magnetic Building Block Set

Sample taken from

Seller "GenConnect" on Qoo10

Comments

During the testing of this sample, it was found that the product did not comply with the safety requirements for toys:

- ISO 8124-1:2014 – Safety of toys – Part 1: Safety aspects related to mechanical and physical properties

The white plastic wheels (as shown below) are small parts which could pose a choking hazard. The product and its packaging do not have information provided in English to warn consumers of this hazard.

No report of incident or injury related to the use of this product has been received to date.

[Update] As of 5 Nov 2019, GenConnect has rectified the product by adding a warning label to warn consumers of the hazard.

What should consumers do?

Consumers who have bought the product are advised to stop using it immediately and contact GenConnect for corrective actions.
