Sample taken from

Seller "YAMAYOSG" from Shopee

The Consumer Product Safety Office has issued a notice to the online seller, YAMAYOSG, to cease supply of the reusable silicone water balloon.

During the testing of this sample, it was found that the product did not comply with the following safety requirement under ISO 8124-1:2022: Safety of toys:

- The tiny magnets embedded within the reusable silicon water balloon were found to be detachable and had an extremely strong magnetic flux index. This can pose a serious risk of internal injury if it was accidentally ingested.

No report of incident or injury related to the use of this product has been received to date.

Consumers who have bought the product are advised to stop using it immediately.
