

IKEA Recalls IKEA 365+ VÄRDEFULL Garlic Press

IKEA is recalling IKEA 365+ VÄRDEFULL garlic press, black, with article number 601.636.02, and date stamps (YYWW) from 2411 to 2522. Due to a production error that may cause small metal pieces to detach during use, posing a risk of metal pieces being ingested with food.

The affected products have the article number 601.636.02 and can be identified by a marking of the IKEA logo on the upper handle of the product that looks like shown:

IKEA is urging all customers who own the affected garlic press to immediately stop using it and return it to any IKEA store for a full refund. Proof of purchase is not required. If customers are unsure whether their garlic press is affected, they are still welcome to return it for a refund.
